ytals Rental Plan

This summary sets out the key information about this offer. Read it together with the ytals Terms and Conditions and Mobile Service Terms.

1. Information about the service

You rent the ytals Health & Safety Watch for a monthly fee that includes the watch, its built-in mobile connection, app access and support. The watch remains the property of ytals. A refundable security deposit applies. Subject to a credit check and eligibility.

Included in the monthly service fee: the watch's built-in mobile connection on the Optus 4G network (VoLTE), SOS calls and SMS alerts to your nominated contacts, two-way calls with nominated contacts, GPS location and geo-fence alerts, fall-detection alerts, non-diagnostic wellness indicators in the ytals app, app access for up to 2 family or carer app users, and support by online form.

Not included: a 24/7 monitoring centre (alerts go to the contacts you choose), international roaming (barred), international calls (barred by default), premium numbers (barred), personal text messages on the watch, medical advice. ytals is **not a medical device** and does not replace medical advice or emergency services.

2. Minimum term

Minimum term of 6 months. After 6 months the rental continues month-to-month and you can end it with 30 days notice.

3. Pricing (all prices include GST)

Item	Price	Notes
Monthly rental fee	$42.90/month	$39.00 + GST; includes watch, mobile connection, app access and support
Security deposit	$99.00	Refundable when the watch is returned in good working order

Minimum monthly charge	$42.90
Minimum total cost (6-month minimum term)	$257.40 plus the $99 refundable deposit

4. Usage

Calls: outgoing calls from the watch are restricted to the contacts you nominate in the ytals app (including 000 if you set it up). Your nominated contacts can call the watch.

SMS: you cannot send or receive personal text messages on the watch. The watch sends SMS only for SOS alerts to your nominated emergency contacts.

Data: used to send location, alerts and wellness information to the ytals app. You cannot use the watch for internet browsing.

Usage and charges: the service uses an Internet of Things (IoT) mobile plan designed for the watch's safety features. Data (used to send location and wellness information to the ytals app) and the SMS the watch sends for SOS alerts are included at no extra cost. Calls made from the watch: up to 30 minutes included each month, then $0.30 per minute (GST included), billed per second. Calls to the watch and calls to 000 are free. We will tell you before any call charges apply.

International: international calls and roaming are barred by default. If you need them enabled, contact us using the online form. Availability depends on the destination country, conditions apply, and it may not be possible in some countries.

5. Other information

- **Network and coverage:** the watch uses the Optus 4G network. Check Optus mobile coverage for where the wearer lives and travels. No coverage means no calls, alerts or location.
- **Emergency calls (000):** the SOS button can be set up during setup to call 000; otherwise it calls your chosen emergency contacts. Calls need mobile coverage and a charged battery. Test the SOS function after setup.
- **Payments:** billed monthly in advance by card or BECS direct debit. Bank transfer is available on request at no charge. No card surcharges. Prices include GST.
- **Warranty:** 12-month warranty on the watch, in addition to your rights under the Australian Consumer Law.
- **Ending early:** if you end the rental within the first 6 months, the remaining monthly fees up to 6 months are payable.

- **Ending the rental:** return the watch and charger within 14 days. The deposit is refunded within 14 days of receipt, less the reasonable cost of repairing damage beyond fair wear and tear. If the watch is not returned, the deposit is kept.
- **Credit check:** required before the rental starts.
- **Financial hardship:** if you are having trouble paying, contact us. Our Payment Assistance (Financial Hardship) Policy is at ytals.com.au/financial-hardship/. Applying is free.

6. Customer service and complaints

Contact us using the online form at ytals.com.au/contact-us/, Monday to Friday, 9:00 am – 5:00 pm AEST. We acknowledge complaints within 2 working days and aim to resolve them within 15 working days.

If you are not satisfied with how we handle your complaint, you can contact the Telecommunications Industry Ombudsman (TIO): Freecall 1800 062 058, www.tio.com.au.

Issued by Sree Tech Consulting Pty. Ltd. (ABN 85 614 188 760), trading as Qual-T Solutions, brand ytals. 16 Alexander St, Walloon QLD 4306.
